Accessing SPARC

SPARC is a fixed-route bus service. Drivers will only stop at marked bus stops. Please wait for the bus at a sign or a shelter.

During Your Trip

Have your exact fare ready as you board the bus. Insert payment into the top of the glass fare box. Drivers do not carry change. After paying please move promptly to a seat or grab a rail behind the white floor stripe.

Leaving The Bus

Signal that your stop is near by telling the driver or by pulling the cord by the window. The "stop requested" sign will light. Wait until the bus is fully stopped to exit.

ADA Paratransit Service

If you have a disability that prevents you from using SPARC fixed-route service, paratransit service will travel up to 3/4 mile one-way distance from a SPARC line.

Paratransit service is available to qualified individuals who apply, following an assessment made by STS staff and healthcare professionals. The application for paratransit services can be found online at www.ci.sandusky.oh.us.
