Assumptions Used on Monthly and YTD Budget Amounts:

To calculate the YTD budget amount, we determined what percentage of revenue/expense by line item was received / expended cumulatively through September compared with what was received / expended in total for the 2016 year. This percentage was then applied to the total 2017 budget amount to generate the estimated “YTD Budget” amount.

Similarly, to calculate the Monthly Budget Amount, we determined what percentage of revenue/expense by line item was received / expended just in the month of September compared with what was received / expended in total for the 2016 year. This percentage was then applied to the total 2017 budget amount to generate an estimated “Monthly Budget” amount.
